

# SURESTART Preventive Maintenance Services

## Engines and Generators PM Level TM&R

## Level TM&R: Total Maintenance and Repair

- This Agreement covers all of the total maintenance and repair costs during the term of contract
- Pay one flat fee to cover a broad range of maintenance including parts and labor
- Forecast your equipment maintenance & repairs with a fixed budget
- Quinn can customize a TM&R plan to maximize your generator's life cycle based on engine run hours

SURESTART Service is a Quinn preventive maintenance and inspection program, custom designed to help reduce power system operating costs, prolong component life, and increase the overall reliability of your equipment.
